

Parents and students from Years 9 to 12 are invited to the

2014 Subject Selection and Pathways

Expo and Pastoral Interviews

This event brings together representatives from tertiary institutions (Monash, Swinburne, Deakin, LaTrobe, NMIT, Box Hill Institute and RMIT) as well as VCE teachers and students from OLMC who can answer questions and provide guidance in the process of selecting subjects and planning future pathways.

Spread over two levels of the Centenary Building, the Expo will include university, TAFE and subject displays for parents and students to peruse and will provide an opportunity to speak to students currently studying subjects of interest, or find out more specific information about courses from the teachers who teach them.

The Expo is an informal atmosphere where parents and students are encouraged to ask questions and hear what a course is really like from another student's point of view.

When: Tuesday 20 August from 3.40 – 6.30 pm

Where: The Centenary Building

Level 2 Centenary Building
